SUBUNIT : BARATHIDHASAN

**GOVERNMENT COLLEGE FOR WOMEN,
PUDUCHERRY.**

MY NCC EXPERIENCE:

- joining NCC, I felt that I am open to plenty of opportunities like it give me the feeling of an officer without being a part of Indian military institutions like Indian Military Academy (IMA).

■ On becoming an NCC cadet, I also got many helps from the Government by the useful information given by senior cadets to withstand my family burden in the form of cash funds.

■ NCC inculcates the attitude of **never giving up in me.**

■ It also helps me to see the world in **optimistic and positive views.**

■ On being a part of NCC troop it also builds a lot of **self confidence** in me.

- To be a part of NCC cadet , I realised that one must **work hard , dedicated , unique and punctual.**

- I came to know that NCC cadets can also take part in mountaineering, rock climbing , trekking , motorcycle expeditions , para sailing , para Jump, slithering , etc.

- After joining NCC I got the knowledge that in NCC they also conducts Youth Exchange Programme (YEP). The aim of YEP is a country to country exchange of cadets belonging to NCC and participate in various activities.

- In NCC they also organise many camps like Republic day camp , CATC , ATC , EBSB , etc. Thus , it also gives me a chance to participate in those camps.

- I am very proud to say that our **Prime Minister Narendra Modi was once upon a NCC cadet**. This also motivate me a lot and sparkled in me the sense of patriotism.

- NCC cadets are always given first preference in Armed Force because we know all about the training in advance.

- The motto of NCC is to spread the sense of **patriotism , unity and discipline** among the young cadets.

- It also inculcates the brotherhood feeling among us.

- There are plenty of advantages given to me on holding the NCC certificate. They are:

- NCC cadets are given priority over State and Central Government.

- For Cadets with NCC certificate , there is a seat reserved in Indian Military Academy.

■ I am very proud to say that NCC was started in 1948 with just 20,000 cadets today NCC has around 13 lakhs cadets in our country.

■ I feel the biggest advantage of NCC is girls are allowed to join in NCC unlike NDA and IMA as a part of women empowerment. Girls are also given equal opportunities and respect to that of boys in NCC.

■ In simple the morals and valuable lessons I learned from NCC are:

***Obey with a smile**

***Be punctual**

***Work hard**

***Make no excuses and tell no lies.**

■ I employed these valuable lessons in various parts of my life. It helped me to mould my behaviour in a good manner.

Example: It taught me how to obey and behave with older people, colleagues and higher officers.

■ On final note, let me leave you with a pledge that every NCC cadet upholds to:

“ We the cadets of the National Cadets Corps, do solemnly pledge that we shall always uphold the unity of Indian. We resolve to be disciplined and responsible citizen of our nation. We shall undertake positive community service in the spirit of selflessness and concern for our fellow beings.”
