

THAL SAINIK CAMP (TSC)

The TSC is a 12 days camp conducted by NCC in Delhi every year, in which the cadets are selected from all 17 directorates (30+3 cadets from each directorate), by the selection procedure conducting 3 pre-TSC camps each of 10–12 days a week interval. The cadets from different areas participate in this camp. There will be healthy competition between the cadets. The selected cadets are sent to the TSC to represent their respective directorates.

At first, the cadets were given a chance to participate in the obstacles and Firing in which the cadets should have good stamina and regular practice of pushups and running. Strength and speed make all the difference between the cadets. Other competitions like Judging distance, Health and hygiene, Field signals, Map reading, Tent pitching, and Line area have happened in the TSC camp, which will be a good experience for the cadets.

The cadets will be able to gain a lot of knowledge and self-confidence; they will be able to acquire leadership qualities. Attending a camp will teach the cadets to tackle different situations. Many games and cultural events have taken place during the camps, which will be ever-lasting memories for us. The overall camp experience makes the cadet learn punctuality, unity, and Discipline.
