

## **MY FIRST CAMP EXPERIENCE**

I would like to share a beautiful experience of my NCC camp. There were about 200 cadets from several institutions under Calicut group. It was a 10 day CATC camp. Our camp was designed with the theme “Unity and Discipline”. The camp started on 14th June 2016 and the cadets reached West hill at Calicut group headquarters, where the camp was held.

Our days used to start with roll call in the morning followed by PT and it included drill practice, map reading, weapon training, lectures and many cultural activities such as dancing, singing and much more.

On the last day of camp, I was happy that the camp went successfully. At the same time, I felt sad because we lived together like a family in all those days and we would get apart soon. It was the moment to say Goodbye! I loved the camp life and I will definitely miss those days and people.

This camp taught me discipline, to accept people the way they are, infused courage and strength, motivated me to do something for my motherland and respect her and ultimately it made me a better person.
