

YEP DELEGATES JAIPUR DARSHAN 2020

BY~ SGT. SALONI SHARMA

National Cadet Corps has completed 72 glorious years in serving the nation and shaping the young minds for a bright future of our nation. And it's the only largest youth organization which not only teaches you the values of unity and discipline but also provide it's cadets with adventure activities and Once in a lifetime opportunities.

And one such opportunity is Youth Exchange Programme which is the highest and most prestigious camp in NCC where the overall best cadets are chosen to represent India in friendly foreign countries and they also visit India.

It's a matter of extreme joy as I got the golden opportunity to represent my nation as Ncc Team India to YEP Delegates for Jaipur Darshan. Through this annual initiative of the NCC I got the chance to meet and interact with the youth leaders from different countries namely Singapore, Vietnam, Russia, Sri Lanka, Bhutan, Kazakhstan, Turkmenistan, Nepal, Maldives, Bangladesh, Naval Cruise.

And I got the chance to escort Bhutan Delegate for the 2 day trip at Jaipur. The trip began firstly with visiting Albert hall Museum and from here they could know our history and many other things about our city and nation. We then headed towards Hawa Mahal in the evening. From here they could see the whole city and got to know more about our city and culture. And the next day , The trip concluded with the visit of Amer Fort ,and they were delighted to know about our heritage, culture and fort.

In this 2 day trip , I interacted with all the cadets of other delegates and learnt new and exciting things about their culture and nation We all sang our folk songs and enjoyed a lot dancing on those beats and we also learned some words of each other's language.

It not only enhanced our knowledge about each other's culture but also helped in strengthening international unity as we shared a good bond with them.

It was a wonderful trip and it will always be a moment which I'll cherish forever in my life .
