

My Camp Experience

I'm NC1 Chandanadas N K of 9(K)Naval Unit NCC from Malabar Christian College.I am a Bsc Maths student . My Ambition is to become a bank manager .When I joined NCC, My memory power and time management increased.

NCC had conducted B certificate camp by following all the covid protocol.Camp was a good experience for me. My seniors taught me well.So,It helped make the camp easier to me. NCC inspired us even in this tragic time .Even at this corona situation, NCC is doing a lot of activities.

During the camp days I learn many things.I realized that everything would happen through teamwork . Without taking any challenge ,we cannot gain anything in life.Through B certificate Camp, I could improve my discipline and Physical fitness.Camp was very helpful to me.
