I am a NCC cadet. The national cadet corps (NCC) is a voluntary organization engaged in grooming the youth of the country in to disciplined and patriotic citizens. I would like to share the beautiful experience of my NCC camp. At COPT college, westhill over 200 cadets from different colleges under 30K BN participated in the 3-day camp organized by NCC Battalion officers. Our camp was designed with the theme of 'NCC B-certificate study capsule'. The camp started on 8th march, 2021, we the cadets of Z6 college reached at KOPT on time. I was quite curious about how the camp will go. Our day started with paired learning from the ground. Afternoon lectures were provided by ANO officers of many colleges. The camp ended on 10th march. I would also like to say that this camp really helped for my B-certificated exam conducted on 27th and 28th march 2021.

I would also like to say the trekking camp held on 2020 Feb at coorg. This trekking includes the spirit of adventure, exploration, enthusiasm and to provide opportunity for building endurance.
