

STATUE CLEANING

I am cadet Nisha Rajak of Ispat Autonomus College .9(O) Bn NCC, Rourkela attended in Statue cleaning. The statue of Birsa Munda situated at bisra chowk in Sundargarh District. The NCC cadets cleaned the statue laboriously with its sorroundings in 2020.

By the direction of our ANO Sir and Sr Cadet Nisa Chetry we came to know about the task where various institutions under Sambalpur Group of NCC adopt a statue. On that day arround 10 PI staff, 89 cadets, including 30 girl cadets, and 29 boy cadets

cleaning the statue of bisra munda. The whole event controlled and observed by our CO Sir and AO sir.

All cadets washed the statue properly. Not only the statue but the historical plate below the statue were also cleaned very carefully and also cleaned the garden surrounded by the statue. The Cadets showcased their concern for the nationwide “Swachhta Abhiyan” by staging a play among the gathering. Big Salute to our Freedom Fighters.
