## MEMORIES OF NCC CAMP

I would like to share the beautiful experience of my NCC camp over 150 cadets from different colleges of odisha came to this camp. The journey started on 9th feb. 2021 in a bus headed towards Bhadrak. We enjoyed a lot during travel , at first I was quite nervous and curious about how the camp would go. We reached Bhadrak and were taken to the camp which was at Bhadrak Autonomous College campus. We registered our name in college then we were taken to the room of camp . Our day started with Drill , We learnt firing , rifle drill , rigging and knew the parts of ship. Not only learnt but also enjoyed a lot . Many competition and gaming activity were conducted such as Tug of war , Vollyball Badminton , Singing ,Dancing , Group discussion .I participated in cultural programs in the late evenings. On the last day of the camp “ Bada Khana “ ( variety of dishes) was arranged . I was happy that the camp went successfully at the same time sad because we lived together like a family all those days and we would part soon. Last day of the camp prize distributed to those cadets who won the competition we took many selfies and I loved the camp life and I will miss it and the people .

This camp taught me discipline , to accept people the way ther are , infused courage and strength , motivated me to do something to motherland and respect her and ultimately it made me a better person.
