

MY JOURNEY IN NCC

I was very excited initially to join NCC. It used my passion since childhood. But I never had an opportunity to join. Now, my college gave a golden opportunity to join and serve in this field.

process of joining NCC:

Date was announced by our college in the first year for NCC selections. The selection process was complicated. There were '600' students who attended the NCC selections. The selection procedure included running 1km and parade in the ground. Best of students of the above procedure were picked. Height was measured. Based on all these our NCC dept incharge selected students.

Experience in NCC:

During NCC practice everyday we undergo rigorous practice like parades everyday. it increases confidence by practice daily. it builds courage to face any situation in life. it makes a person more active. we got an opportunity to serve people in the pandemic situation. we went to duties on special occasion like Vinayaka himorjan. We participated in fit India freedom run (2km) in Warangal. we get an opportunity to go to camps at different places all over the country. At camps,
