

YOUTH EXCHANGE PROGRAM

Supriya

Youth exchange program is a wonderful initiative taken by our government in collaboration with other countries.

Under this program, exchange of youth delegations with friendly countries is taken up for promoting exchange of ideas ,values and culture amongst the youth of different countries and also to develop international understanding .

To be the part of this program one has to undergo different selection procedures giving their best in cut throat competition .

Other than exchange programs this ministry also organise or participate in various summits such as YOUTH SUMMIT , other international youth forums / events etc .

To involve youth in promoting peace and understanding , the international exchange of youth delegations has been conceived as an effective instrument and it also helps youth to bring out best of themselves and helped them to work beyond their limits and definitely increases their potential , it also helps them to improve many of their skills and they learn new techniques which further helps in the development of the country itself .
