CATC CAMP

[Combined Annual Training Camps \(CATC\)](#). These are held within the State under the aegis of respective NCC Directorates. This camp is mandatory to all the ncc cadets. to conduct by 4 DELHI GIRLS BATTALION in ncc building participated in the ten day. focused on personality development and giving a glimpse of military camp. The camp was very important and mandatory for B/C certificate.

I successfully complete the annual CATC camp 2021- 2022 which was held from 18th to 25th oct 2021 for "B' certificate cadets, at the 4DGBN unit. Due to this ongoing global pandemic the camp was conducted a bit differently than the usual such as the duration of the camp was shortened, no stay-in were permitted etc.

On the first day, all the seniors of each college as well as school made the cadets' fall-in to give them full knowledge about what is to be done in the coming 8 days and registration process took place. Of all the colleges, one is made a camp senior.

On the second day we were taught about weapon training like defining the parts of 0.22 Rifle and teaching us how to load and unload the rifle as well the position of firing. On the last day we were taught about health and hygiene on what precaution to take when an injury happens, discussion about various types of common disease etc.

Drill classes were conducted in the morning hours, while theory classes were organised after lunch followed by weapon training, even though the duration of the camp was shortened the PI staff worked really hard to cover all the important topics and trained the cadets to the best of their ability for the certificate examinations.

We also had a drill competition on the last day where our team get to win the medal. It was such a great experience where we get to learn many new things and make new friends with good memories. These camps make us to strengthen the bond we share with everyone and get to know each other more by experiencing it together.

Missioned with overall development of the cadets, the camp had a number of workshops, drills, quarter guard, solo singing, solo dance, group dance, tug of war, poster, skit and group singing competition. Cadets were taught the basic first aid and traffic rules.

This camp really taught me discipline, inculcated values of courage and strength and ultimately made me a dedicated and sincere cadet.
