Topic → Puneet Sagar Abhiyan

In earth we have 71% water in compared to 29% of land. There are almost 7.5 billion people live in earth. Do we know that ~~5~~ 5 trillion plastic ~~are~~ are used every year. 1 million plastic bottle are being produced in every minute. And 13 million tons of garbage plastic are thrown to ocean every year. As a result of "Tip for Top" every thing that we throw to ~~o~~ ocean comes again to land. As a result of which beaches are the most affected land. ~~B~~

ii.
"PUNEET SAGAR ABHIYAN" is the Campaign conducted by NCC to clean these garbage from the wastay areas. Cadets across the country with the help of locals clean these. The motto of this Campaign is to keep the environment clean and hygene.

"THANK YOU"
