In keeping with the vision of Prime Minister Narendra Modi, the National Cadet Corps (NCC) has initiated a nationwide flagship campaign (Puneet Sagar Abhiyan), to clean beaches and other water bodies, including rivers and lakes of plastic and other waste material. The initial phase of the (Puneet Sagar Abhiyan 2022) The purpose of the Abhiyan is to educate locals and sensitize them about 'Swachh Bharat'. And the 1st year cadets were advised to make a poster for Puneet Sagar Abhiyan and attach with a stick for putting beside the 'hat'. We all really enjoyed a lot. This Abhiyan Abhiyan thought us how to protect our environment. We should always plant trees in our surrounding clean the cities. So that we all human beings be safe in our future.
