

Experience As a Cadet

My Experience as a cadet is very good in NCC. It is one of the best platform to develop our discipline to succeed in life. To be a NCC cadet is like being unique, hardworking, dedicated, punctual, and most of all, an achiever. It inculcates the attitude of never giving up, makes me optimistic and builds a lot of self-confidence and character. The life of a cadet is one of the best experiences one can ever have as it teaches them life as it is and show how it is to be and shows how it is to be an officer in Indian Armed forces.

As a cadet in case of JO I have completed one full year of training and in the second year I have attends an Annual training camp of 9-10 days, also known as National Combined Annual Training camp. At the end of the camp training we cadets receive a certificate of successful completion of CATEs.

Appart from this, various other camps are also organised as follow; Republic Day Camp (RDC), Combined Annual Training Camps (CATE), National Integration camp (NIC), Thal Sainik Camp (TSC) etc.
