

CAMP EXPERIENCE

In my NCC life, my 1st visit in the NCC camp was at Kamrang, Namchi, at 06th June, 2022. It was a great as well as proud moment of my life. It was a Combine Annual Training Camp. I gain a lot of knowledge as well as experiences during my training period. We were taughted to use Compass, and heard to use maps, we also leard to Judge di'stance field singals. We were trained to do Obstacle and Rifle drill too. On my last day of my camp I enjoyed a lot in the cultural eve and I really missed those days a lot.

Lastly I would like to thank our CO, ADM and PI staffs for giving us the opportunity to learn and experience a lot of things.
