The Bharat Ratna is India's highest civilian award which is conferred to people in recognition of their exceptional service in any field without exceptional service in occupation position. The recommendations are made by the prime minister of India to the president.

It was first awarded in 1954 to Dr. Sarvepalli Radhakrishnan, Dr. C.V. Raman and Chakravarti Raja Gopalachari.

The physical award is designed in the shape of a peepal leaf with Bharat Ratna inscribed in Devanagiri script under a sunburst figure.
