

## What is National Cadet Corps?

NCC is the Indian military cadet corps wing of the Indian armed forces. NCC offers training to the students of schools and colleges. This is not compulsory training for all students. The duration of this training program is 3 years.

During the training of NCC, candidates get the basic military training. This training is conducted to develop the interest of young students in all three forces; the army, the navy and the air force of India. NCC offers the platform to the students so that they could check their abilities to join the Indian Defence Services. That's why one of the benefits of the NCC certificate is that the candidate gets some relaxation during army selection.

According to the National Cadet Corps', the main aim of NCC is to create an organized, trained and motivated youth. With this aim, NCC not only creates soldiers for the nation but it also develops the leadership skills in the youth. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities., with a distinct emphasis on Social Services, Discipline and Adventure Training.
