

# DAY AT SEA

Day at sea which was conducted in 21 November 2022 at Kochi is an event which I will never forget in my life. We NCC cadets from Navy, Army and Air force wing reached at Naval base by 6 am. All the cadets were allowed to enter the Indian Naval Ship INS Sujata ( P56) sukanya class patrol vessel. The ship began to move away from the land to the deep blue sea. The Indian Naval officers provide us with a glimpse of Naval operations like Rescue , Lifeboat and Firing. We were provided with good food and I'm very thankful to the Indian Navy and NCC for providing us with this experience which will always be in our hearts.
