

Name:- Dhanush R 1 cadet Dhanush R
unit 4 Karnataka Air

Importance of NCC:- is the most important in the nation to train the youth. The meaning of NCC is National cadet corps. NCC is the most important thing that helps to provide officers to Army, Navy and Air Force and Defence. One thing that is important to NCC cadet is to maintain discipline. It means in the NCC unity. Mean all are one. In NCC there are camps where we can learn so many things related to our nation and we can get the certificate named A.B.C. which we can get are to renew our love and easily to join to our country. As a officer in the certificate B & C certificate is the most important one which will be helpful for us. Every NCC cadet should attend the camps because of camp we can learn various kinds of activities which is also important to our daily life. NCC came into force on July 16, 1948. H.N. Kumbhojkar was the founder of NCC. NCC came into force under Ministry of Defence. M.O.D. motto came into existence on 23rd December.
