

DAY AT SEA

DAY AT SEA Which was conducted 21st november 2022 at kochi, is an event which i will never forget in my life.we (7(K)NU NCC) naval cadets reached by morning 6 O'clock and all cadets were allowed to enter two Indian ships INS SUJATA and INS TIR. All SD's are in INS TIR and SW's in INS SUJATA.Sea familiarization sortie started in the morning and the ship began to move away from the land to the deep blue sea. We were inside the INS SUJATA and the Indian navy provided us with a glimpse of naval operations like helicopter operation,underway replenishment and boat operations.We were provided with good food and accommodation facilities and those 10 hours went in a flash. I Am very thankful to the Indian navy and NCC for providing us with this experience which will be always in our heart
