My Experience

I am cadet Balchand. J. Nair (KL 21SPA156372) studying in Bharwad Adarsha Vidyalaya. We got a chance to spend a day with the Indian Navy. Had a very good experience there. I studied a lot of things. That one day there made me to an ambition of joining the navy in the minds of the cadets. We learned about the things happening in a ship. We saw how they help people in danger (a model), we saw how they transport things between two ships including humans. The girls were in the ship called INS Sujatha and boys were in the ship INS Tir. It was my first experience in sea and I won't forget it in my whole life. ~~by the way, I don't want to say that I am a NCC cadet~~
~~because I am a NCC cadet and I am not a Navy cadet~~
~~and I am not a Navy cadet and I am not a NCC cadet~~
I thank my C.O's of both NCC and Navy and also I thank my A.O Lt. Manj. Soma R Soma Rani for giving me this opportunity.

Thank You.
