

CADET: Darshan.m

RED.No.

unity: 25 AC 50) Air wing

Importance of NCC: - NCC is the most Important in the Nation to train the Youth. The meaning of NCC is National Cadet Corps. NCC is the most important thing that help to provide officer to Army, Navy, Air force and Defence. One thing that is important to NCC Cadets is to maintain discipline. The motto of the NCC is unity and discipline. It means in the NCC unity means all are one. In NCC there are camps where we can learn. So many things related to our Nation and we get the certificate Name A, B, C which we can use to reserve our jobs and easily we can join to our Nation Army, Navy, Air force to serve our Country- area which will help us. Every NCC Cadet should attend the camp because of camp we can learn various kinds of activities which is also important to our daily life. NCC came into force on July 16 1948. H.N. Kuriya was the founder of the NCC. NCC came into force under ~~the~~ Ministry of defence (MoD) H.N. Kuriya was an Indian freedom fighter motto came into exist on 28<sup>th</sup> december on 1957. NCC has 3 Colours came in exist in 1956 The Colours are Red- Army, deep blue - Navy, light blue - Air force

... in aeromodelling of helps us to become pilots or to become Air force officers. Thank You Yashwanth N
