Firing Kikkuri

KA/21/JD/F/141239

The I was the first time I was touch
The real weapon and the army officers to
teach to use the weapon and the before
The ever serious are first use and the next
time we are use the weapon and the each
each one as 5 five bullets and to shoot
The target board. The marks of the target
board as middle is called bull and next
inward and the bull to we reach to give
5 marks and I can't shoot the target board.
but that was the amazing experience ~~and~~
to me and the place in the mysore university.
and ~~there my~~ came experience the being
that not easy that was very difficult and
~~the~~ we can't focus this we can't shoot
the target range the best shoot takes
'A' grade and the minimum shooter takes
'B' grade and there the not shooting the
board he takes 'C' grade and ~~we~~ ~~can~~
so ~~difficult~~ to ~~be~~ ~~being~~ ~~certainty~~.

The was the first time ~~teach~~ ^{teach} the real ~~battels~~
bullet and fire ~~out~~ that was the good
experiance ~~the~~ we are ~~engoid~~ that and
The all student enjoyng and come ~~in~~ to the
camp. The teachers are support to all

The students and the students give to
more ~~battels~~ and ~~the~~ respect and the
weapons are 7 to 10 kg weight ~~to~~ very
pain - bor - our arms and The seniors are

give the information and How to use and
How to bring are teaching the army
officer and the army officers are
very strict and ~~the~~ How make wrong

The ~~co~~ ~~sir~~ can punish him and to
teach him we are so lucky to
give the chance to the bring
thank you,
