NCC is a turning point in my life. NCC makes me at the part of discipline. But I don't understand how I am change? I was nothing like before I joined NCC.

I did not know how to speak others in a good way and NCC made changes in me. NCC taught me What discipline is and how to cadet should treat others

If NCC does not come in my life , there will never be such a change in me.

NCC will produce good youth. NCC builds a good character. Aims of NCC is to develop a character, comradeship, discipline, communication skill, punctuality, spirit of adventure , and ideals of selfless service amongst the youth of the country.

To create a human resource of organized trained and motivated youth , to provide leadership in all works of life including armed force and always available for the service of the nation.

To create a suitable environment to motivate the youth you take up a career in the armed forces.
