Mahatma Gandhi's life and legacy were recalled on his 153rd birth anniversary by cleaning the college premises and planting saplings . A clean environment is a necessary pre-requisite for a healthy society. The purpose of conducting the drive was to create awareness about keeping the surroundings clean, healthy and hygienic and to promote greenery. We removed all the garbage from the area. The cadets then diligently rid the unwanted creepers and vegetation in the backyard of the college. Thereafter we planted Saplings of several medicinal plants and vegetables in the garden
